

Rewarding students' hard work

Five outstanding students earned a Visa® gift card for receiving at least one “A” on their recent report cards. The reward is in connection with Central Electric’s “Give us an A” program.

Local students from kindergarten to college with a grade of at least one “A” are invited to submit a copy of their most recent report card. Four times each school year, Central Electric will draw from the entries and award a \$25 Visa gift card to four winners with at least one “A” and a \$50 Visa gift card to one winner with all “A’s.”

If you have at least one “A” on your next report card, visit the Education Programs section at CEMCPower.com by Nov. 19 to enter the next random drawing.
